FRS New Zealand Scooter Championship 2026

WEATHER UPDATE

PRACTICE DAY - WEDNESDAY

Please be advised that our upcoming Wednesday practice sessions have been reduced from 40 minutes to 30 minutes. We will move through each category with no break in-between in an effort to get as much done as possible. Briefing times remain the same.

Times have been adjusted as per below. If there are any weather delays we will notify you by email to keep you updated.

If we are unable to get through practice on Wednesday we will move straight into competition on Thursday providing every rider in a category has had equal practice time. Worst case scenario this may mean none.

COMPETITION DAYS

After careful consideration amongst the committee, we have made the decision now to remove all quarter-finals. These will go straight through to semi-finals. Live Heats has been updated to reflect this change. This affects scheduling for all categories, so please check Live Heats for updated times. <https://liveheats.com/events/414296/>

We will email any further updates if needed.

We will do everything in our power to try and run the event around the weather as it happens. If required will be following the World Skate “EVENT RESULTS VALIDATION PROCEDURE AND CONTINGENCY FORMAT PROTOCOL”

Below is a snipping from the 2026 Rule Book for reference.
